

CEN Standards - advance warning copy of the BS EN implementation

Author: BMS Editor<e@s.co>

The documents listed below are now available as an advance warning copy of the BS EN implementation.

Customers purchasing ratified text documents will automatically receive a copy of the official BS EN implementation document on publication.

Ratified text documents are priced in accordance with their early availability – the official BS EN will be supplied at no additional cost.

EN 846: Methods of test for ancillary components for masonry

EN 846-4: Determination of load capacity and load deflection characteristics of straps.
Amendment 1: October 2004 to EN 846-4: 2001

EN 1015-17: Methods of test for mortar for masonry

EN 1015-17: Determination of water-soluble chloride content of fresh mortars
Amendment 1: October 2004 to EN 1015-17: 2000
