

IMC 2026 - 11th International Masonry Conference
12th – 15th July 2026, Lübeck, Germany
Organising Committee

IMC 2026 – Presenter Introduction Form

Thank you very much for presenting your work at IMC 2026. Your contribution is an essential part of the scientific exchange that brings the international masonry community together in Lübeck. This short form is intended to help the Session Chair introduce you briefly, correctly, and respectfully, and to support a lively and focused discussion with the audience.

At a Glance

- Help your Session Chair introduce you properly by completing this short form before your session.
- Please hand the form to your Session Chair, preferably during the preceding break.
- Arrive early, bring your presentation on a USB memory stick, and copy it to the room computer before the session starts.
- Please plan for 15 minutes in total, including questions, so that every presentation receives its fair place in the programme.
